This medicine, combining Iron with pure vegetable tonics, quickly and completely Cares Dyspepsia, Indigestion, Weakness, Impure Blood, Malaria, Chilis and Fevers, and Neuralgia.

It is an untailing remedy for Diseases of the Kidaeys and Liver.

It is invaluable for Diseases peculiar to Women, and all who lead sedentary lives.

It does not injure the teeth, cause headache, or produce constipation—other Iron medicines do. It enriches and purifies the blood, stimulates the appetite, aids the assimilation of food, relieves Heartburn and Belching, and strengthens the muscles and nerves.

For Intermittent Fevers, Lassitude, Lack of Energy, &c., it has no equal.

The genuine has above trade mark and crossed red lines on wrapper. Take no other.

Hade only by SKOWN CHEMICAL CO., BALTIMORE, MD.

ally caused by a disordered condition of the LIVER. For all complaints of this kind, such as Torpidity of the Liver, Biliousness, Nervous Dyspepsia, Indigestion, Irregularity of the Bowels, Constipation, Flatulency, Eructations and Burning of the Stomach (sometimes called Heartburn), Miasma, Malaria, Bloody Flux, Chills and Fever, Breakbone Fever, Exhaustion before or after Fevers, Chronic Diarchosa, Loss of Appetite, Headache, Foul Breath, Irregularities incidental to Females, Bearing-down Pays, Back- CTADICED'C AIDAMT

THE WIFE'S PRAYER.

BY ANNIE DE G. VAN SICELE. The sun is sinking in the west, The song birds all have gone to rest, The winds are wailing through the trees, And darkening storm-clouds, on the breeze Go burrying past.

Night-dreary night, starless and cold, Her sable mantle doth unfold, And with a wide extended hand Spreads over the entire land Darkness, at last.

Within a cottage poor and plain, With wretched roof, and broken pane, A woman sits-her little child Clasped to her breast in anguish wild; Alone !-alone! Nay! not alone; there's One above

Who listens, with an air of love To the poor wife's pathetic cry,
"Oh! Father, help us or we die."

Ah! bitter moan. The old-old tale so often told Of wretchedness, it doth unfold

Pages of want, and sin and shame, Written above thy cruel name "Intemperance." 'Oh! Father, seek him-hear my prayer, Stretch forth Thine arm, and do Thou there Take from his neck this cruel chain

Father, once more. Brothers and sisters, in this land Of light and wisdom, shall we stand Silent, inactive, deaf and mute, Blind to our duty? No! cast out "King Alcohol !"

And give him to his own again,

Strike from his head the tyrant's crown With sword of right, quick! break it down, This Monarch's reign; cause men to think There's more in life than cursed drink— God help us all !

The white pedestal of the statue shone out with a phosphorescent government. It means that the sword glare under the fierce electric light will be invoked too often to keep the which poured upon it, and the statue itself loomed up a great dark shadow against the sky. The water of the watched with interest all over the coun- bay was calm, and reflected every light that fell upon it like a mirror. At precisely the hour fixed there came a burst of kaleidoscopic lights from Bedlow's and Governor's Islands, and in an instant the air was filled with flying balls of overy color of the rainbow. At short intervals along the parapet of the fort at Bedlow's Island and along the sea-wall of Governor's Island there burned great red lights, which grew in intensity until the bay was brightly illuminated with the queer red glow nearly to the Narrows. The great fleet of steamers and craft of all kinds loomed up distinctly, and the red and green lights on the vessels were scattered so thickly that it look-

were floating there. There were the usual stand-byes in the fiery fountains of green, vellow, red, blue and white fire balls, with The torch is lighted by nine arc the snapping, writhing, fiery serpents sputtering about at intervals in the air. The display on the Battery did not begin until the two other spectacles had closed, and it opened with the two islands, with the exception that a long and starry procession of ballooons, made to represent the stars and stripes and the tricolor, was sent trailing high up in the air over Long Island way, and dropping red, green

and white fire balls as they went.

sky had fallen into the water and

The fleet of steamers which had been lying between Bedlow's and Governor's Island now moved up and ranged itself in a semi-circle around the Battery, applauded in hoarse, shrill and screeching whistles every particularly fine effect. The display at the Battery closed with the letting off of 2,000 rockets gathered in one bunch, which brought a pandemonium of applause from the water. Men, women and children stood on the big Brooklyn bridge:in a solid mass for two hours last night

watching the fire-works The torch was kept alive all night, and it will be lighted every night for a week. For how much longer has not been determined, as the system is on trial for that time.

A Brave Man. 'Hear about Ben Bu'lwinkle ?

'No.' 'He went west, started a ranch, and the other day about twenty Indians made an attack on him.'

'What did he do?' 'Pitched into them and kicked then all over the farm. He's no coward. A powerful brave man.'

'That's nothing.' 'Why not?' 'The first time I came to Chicago I made fifty policemen run.

'You were well armed, I suppose.' 'No. I'd stolen a bolt of cloth, and they were running after me.
